Featured hotels:

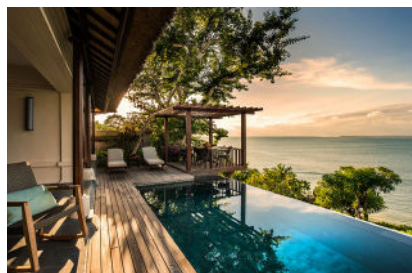

The Fullerton Hotel

The magnificent Fullerton Building is a grand neoclassical landmark built in 1928, today transformed into a premium heritage hotel.

Four Seasons Resort Bali at Sayan

An authentically Balinese oasis set within an enchanting forest that cocoons just 60 suites and villas. Choose from secluded treetop accommodation or riverside sanctuaries, all fitted with Indonesian artefacts, traditional ikat fabrics, and optimised for ultra comfort. Guest will also benefit from a daily shuttle bus to / from Ubud center and join-in yoga and meditation class.

Four Seasons Resort Bali at Jimbaran Bay

Sheltered in a calm bay along three miles of sand, the breezy villas channel a Balinese village and instill a calming, gentle energy in the visitor. Along with the usual high standard Four Seasons service, the location here is truly stunning.

In the spotlight:

Graffiti street art tour

A unique tour to Discova, we let travellers get creative with some street art – engage in a workshop in Kampong Glam that will see visitors making their own masterpiece with their master street artist's guidance.
