ATVs

From sea to land, get your group's adrenaline pumping with this epic ATV ride along the dunes of the Pacific! During this guided adventure, your group will drive through the desert and feel the occasional fresh ocean breeze as they follow the trail of the dry riverbeds of Baja California. This activity is both action-packed and a treat for the eyes.

Outdoor Adventure (Ziplines & Polaris UTV)

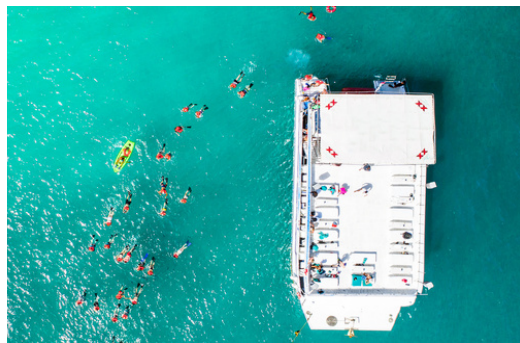

Traverse a series of amazing zip lines, including the longest and fastest line in Baja, the "Superman", at over 4,000ft (1,200m)! This is an adventure for the most daring amongst your group, as travellers rappel from sheer rock walls, cross the commando bridge, and zip line in tandem and upside-down mode. Your group's safety is paramount, with the safest zip lines of Cabo with their double line safety mechanism. Next, daredevils race towards base camp with their very own Polaris UTV in our specially designed course. Your group will enjoy over 100 acres of stunning views and breathtaking scenery in this UNESCO protected biosphere reserve.

Todos Santos

Whale Watching

(Seasonal)

Witness the awe-inspiring enormity and grace of 40-50ft (12-16m) humpback whales up-close in their natural environment. During this priceless activity, your group will have the privilege of seeing the epic giants breaching and launching into the air, and returning to the sea amidst a colossal splash! Golf

Golf enthusiasts in your group? You've come to the right place!

Simply get in touch with us below and let us know what your players' profiles and wishes are. We'll propose the most suited course and take care of any logistical requirements like transfers, your favourite refreshments, and more!

A few of our preferred courses in Los Cabos are:

Cabo Real

A multi-themed, target-style course designed by Robert Trent Jones, Jr. Cabo Real offers a memorable, well-balanced test of golf. Uphill holes generally play downwind, while downhill holes usually play into the prevailing onshore breeze. Jones and his design team artfully contoured the green complexes and containment mounds to mimic the shapes of the richly hued mountain peaks in the Sierra de la Laguna that frame the course.

Puerto Los Cabos

A 27-hole golf resort, featuring three distinct courses designed by two of the sport's most legendary figures, Greg Norman and Jack Nicklaus. Amazingly, all of the 27 holes offer expansive panoramic views of the coastline and Sea of Cortez. As an added amenity, each course has a culinary palapa, staffed with a bartender and chef, serving a full range of local cuisine and ice-cold beverages. Oceanfront golf at its finest.

Club Campestre San Jose

Verdant fairways, chiseled into sloping desert terrain, offer players fine views of the Sea of Cortez. Vast sandy waste areas, big flashed-face bunkers and sinuous arroyos snaking across the fairways call for careful course management. The true character of the golf course lies in Campestre's undulating, multi-tiered greens, which are among the most liberally contoured putting surfaces in Los Cabos.
