

Mega Combo Tour Costa Rica

A 5-in-1 full day adventure!

TOUR OVERVIEW

An action-packed day of adventure like no other at the Rincón de la Vieja Volcano, in Guanacaste. The full day experience provides travellers with an unforgettable canopy tour via zipline along the slopes of the volcano, followed by a thrilling 400-metre long waterslide, the longest jungle waterslide in the world. Afterwards, visitors enjoy authentic Costa Rican demonstrations of pottery and tortilla making, followed by a traditional Costa Rican lunch.

Lunch is followed by a horseback ride down the volcanic trails, and finally, a relaxing soak in natural hot springs, volcanic mud baths, and various pools scattered throughout the jungle.

Not only is Rincón de la Vieja Volcano an adventure park, it is also a mountain lodge and a nature preservation area teeming with wildlife.

**The order of the above activities may vary.*
