

# Yogyakarta Street Eat Local Life Tour

Half-Day

**When in Java, an immersion into the vibrant daily life of Yogyakarta is a must on this Discova exclusive tour. And using a Go-Jek ride, to weave through the bustling streets of Yogyakarta is really the best way to go with the city's evening flow.**

This evening exploration of the city's finest local dining venues starts with a visit to savour Kopi Joss, a cup of freshly brewed black coffee served with a piece of burning coal nestled within the glass.

Next, you will indulge in Jamu Ginggang, a traditional Javanese herbal elixir renowned for its healing properties. After learning the benefits of Jamu, your Go-Jek heads out to Yogyakarta's South Square, the vibrant heart of the city's nightlife and the hotspot for mingling with the locals.

Relish the flavours of Bakmi Jawa, a delectable noodle dish harmoniously blending Chinese and Javanese culinary influences, and brings a memorable end to this culinary adventure.

## What makes this experience so unique?

- Be a part of local, authentic food experiences.
- Try unique drinks at a local coffee shop and a herbal drinks store.
- See how the blending of cultures has shaped the city's unique delicacies.
